The State of New Hampshire

**THE POLLS WILL BE OPEN FROM 10:00 A. M. TO
6:00 P. M.**

To the Inhabitants of the Town of Pittsburg in the County of Coos in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Pittsburg on Tuesday, the Sixth day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

1. To bring in your ballots for the election of one Selectman, for three years; one Road Agent for the Lake District, one Road Agent for the Middle District, one Road Agent for the Lower District, a Town Clerk, a Treasurer, three Auditors, one Overseer of the Welfare, a Library Trustee, for three years; and one Trustee of the Trust Funds.

Also on a separate ballot you must vote on: Are you in favor of authorizing the Planning Board to become active again?

Yes () No ()

2. To see if the Town will vote to give the Selectman authority to appoint all necessary Town Officers not listed under Article 1.
3. To see if the Town will vote to give the Selectmen authority to hire money in anticipation of taxes.
4. To see if the Town will vote to observe Old Home Day and raise money for same.
5. To see if the Town will vote to elect a committee to set a date and manage the Old Home Day observance.
6. To see if the Town will vote to raise the sum of \$1000 for the Upper Connecticut Valley Mental Health Service, Inc.
7. To see if the Town will vote to raise the sum of \$531.63 for the White Mountain Regional Association.
8. To see if the Town will vote to establish a conservation commission under the provisions of R. S. A. 36A, and that the Selectmen shall appoint said commission, to consist of three to seven members, within thirty days of the said annual meeting and that said Selectmen shall also designate, for the purpose of calling the first commission meeting, a temporary chairman.

9. To see if the Town will vote to authorize the Board of Selectmen to enter into a contract, in the name of the Town, for the purpose of contracting for aerial photography and property maps for the Town.
10. To see what sum of money, if any, the Town will vote to appropriate from Revenue Sharing funds to pay for part of the mapping program.
11. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following priority purposes and in amounts indicated or take any other action hereon:

Appropriation	Amount
Town Buildings	\$1,000
Police Department	\$1,000
Fire Department	\$1,500
Town Dump	\$1,000
Municipal Water	\$1,000
Library	\$ 400

\$5,900

12. To see if the Town will give the Selectmen authority to sell to King Towle a 150' plot across Route Three in front of his present bounds and southerly to the New England Power line.
13. To see if the Town will vote to raise the sum of \$1500 to pay off the existing balance on the Ford fire truck improvements. (By petition)
14. To see if the Town will vote to utilize \$1000 of monies received from Revenue Sharing to purchase and install three (3) Strafford (dry) Hydrants at the following sites: (By petition)
 - a. Soil Conservation Service Site No. 6 — Baldwin's Pond
 - b. Soil Conservation Service Site No. 10 — Back Lake Beach Road
 - c. Soil Conservation Service Site No. 14 — Partridge Lodge Pond.
15. To see if the Town will vote to repair and maintain the road from the David Foote line to the so-called John King place and raise money for same. (By petition)
16. To see what action the Town will take with regards to the highway by Arlene Shields' property south of

the village to end.

17. To see if the Town will vote to apply the balance of Revenue Sharing Funds toward highways.
18. To see if the Town will vote to accept the budget and raise money for same.
19. To transact any other business that may legally come before the meeting.

Polls will not close until 6:00 p. m.

Given under our hands and seal this 10th day of February, in the year of our Lord nineteen hundred and seventy-three.

JOANNE CARLSON, Town Clerk
Pittsburg, N.H.

Upper Connecticut Valley Mental Health Service, Inc.

REPORT OF SERVICE RENDERED IN THE TOWN OF PITTSBURG

Mental health services for the town of Pittsburg were significantly expanded during the past year - both counseling individuals and families, and services to the Pittsburg school.

Sixteen residents of Pittsburg received counseling, either at the Colebrook office or in their homes, and the school has been visited frequently to develop plans for assisting students with problems. Among the services being given to students are psychological evaluations; individual counseling; counseling with families, either at school, home or in the clinic office. Plans for helping the child in the classroom are discussed with the teacher and with other helping agencies such as speech therapy and the school nurse.

Because the agency is locally based and operated, patients can be helped quickly, with the result that very few residents need to go on to New Hampshire Hospital or other resources out of the area.

Pittsburg's contribution to Upper Connecticut Valley Mental Health Service helps in obtaining matching funds from state and other sources; and it insures that the staff is consistently available when needed. Costs are kept at a minimum without impairing quality of care and per capita costs for our area are far below those of other rural mental health programs.

Upper Connecticut Valley Mental Health Service, Inc. meets all state and professional standards for such programs and is a full member of the New Hampshire Association of Community Mental Health Agencies.

Our full staff is prepared to respond to your requests.

**Respectfully submitted,
BURDETT S. ADAMS, ACSW
Executive Director**

NORMA E. COVILL
Tax Collector, Pittsburg, New Hampshire

Report of the Fire Department

During the past year the Fire Department was called out eight times; one was out of town, four were chimney fires, one false alarm, and two major property damage. The department has held its regular monthly meetings, as well as holding eight training sessions. Seven men attended fire schools of one or more days at Berlin, Concord, and Colebrook.

We have replaced the old army tank truck by outfitting a 1952 Reo ten-wheeler with all-wheel drive received from the N.H. Forestry Department with a tank and Chrysler Marine pump received from the same source. This increases our pumping capability tremendously. The new pump can fill the tank in a minute and a half, and our water capacity for all three trucks is about 2300 gallons. We have also added three more on the red phone network.

We feel we are much better equipped than the average town department anywhere in the state. Much credit is due the men who give of their time to improve and maintain the equipment and constantly improve their techniques.

Over the next few years we are hopeful of having a planned all year water source throughout the town, which will substantially add to our fire fighting capability, especially in cold weather.

As usual, we wish to remind people that fire prevention is worth ten times more than the cure. Please use caution when handling fire or using fire-producing materials. We recommend that every home have at least two five-pound fire extinguishers capable of handling Class A, B, and C fires. Keep them

handy to sources of fire (stoves, furnaces, fireplaces, garages, etc.) and be sure everyone knows how to use them. The first few minutes of any fire can mean the difference between a smudge and an empty cellar hole.

I would like to take this opportunity to thank each and every man in the department for a fine year's work. Also, we'd like to thank Mr. Emery of the State Fire Marshal's office for his assistance in training material. Let's all work just as hard in the coming year to have as few fires as possible, and to increase our ability to handle them.

CARL CARLSON, Chief
Pittsburg Volunteer Fire Department

Joanne Carlson,
Treasurer

Pittsburg Unit, Ambulance District A-1, manned by Pittsburg Volunteer Ambulance Corps. Vehicle donated by Jenkins Funeral Home, Inc. (Bartlett Photo)

AMBULANCE REPORT

As of last Town Meeting a vote was taken that the Selectmen appoint a committee of five, including one Selectman, as an ambulance committee. This committee appointed, consisted of the following; Burnham A. Judd, Carl Carlson, Martin Hewson, Beatrice Little, and Lou Young.

The state required a medical board, consisting of five to represent this district. Our representative was Craig Hubbard, until his reenlistment in October. Then Nathalie Wright was elected to replace him.

Because of the Funeral Directors having to discontinue the ambulance service, the Administrator of the Upper Connecticut Valley Hospital and the Selectmen of the surrounding towns, got a district organized.

Then on July 14, 1972, the Jenkins Funeral Home gave their ambulance to the town of Pittsburg, in memory of Ralph Jenkins.

We have at the present time, sixteen licensed attendants, that have completed ten hours Basic First Aid and sixteen hours Advanced First Aid. We have presently eleven people taking the Emergency Medical Technicians training course in Colebrook, which is a 72-hour course.

The Old Home Day Committee came up with the idea of an Auction in benefit of the Ambulance Fund. The results were so successful that we would like to make this an annual event. Please save all your goodies for Old Home Day.

We now have an active Pittsburg Volunteer Ambulance Corps., which is having monthly meetings and have practice sessions and runs.

Warrant

PITTSBURG SCHOOL DISTRICT THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Pittsburg qualified to vote in District Affairs:

You are hereby notified to meet at the Town Hall in said District on the 6th day of March, 1973, at 10:00 o'clock in the forenoon at which time the polls will be open. The School Business Meeting will begin at 1:00 p. m. or immediately following the Town Business Meeting should it be extended to the afternoon session, to act upon the following subjects:

1. To bring in your ballots for the election of School District Officers to be elected by ballot for the ensuing year(s).
2. To determine and appoint the salaries of the School Board and Truant Officers and fix the compensation of any other officer or agent of the district.
3. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
4. To see if the District will vote to purchase a tract of land adjacent to the present school property and raise money for the same.
5. To see if the District will vote to raise the sum of \$1400 to supplement the salary of the school lunch program helper.
6. To see if the District will vote to raise the sum of \$120 to transport school students, Grades 1 through 6, within the Town limits on extremely cold and windy school days.
7. To see if the District will vote to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States for the ensuing year.
8. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries of the School District Officials and for the payment of the statutory obligations of the District.
9. To transact any other business that may legally come before this meeting.

Given under our hands at said Pittsburg this 16th day of February, 1973.

SUPERINTENDENT'S REPORT

The educational program at Pittsburg School has had a number of changes introduced in the past few years. Most significant has been the revision of the junior high and high school science programs. General science for grades 7, 8 and 9 has been replaced with a program called "Introduction to Physical Science" (IPS). Through the assistance of NDEA federal funds and local support, the entire course has been up-dated and an interesting and exciting science program is being provided.

A number of grades in the elementary school are participating in a problem solving approach to science. The school district was fortunate to have been chosen to participate in the program, at no cost to the district, by the Educational Development Research Center in Newton, Mass. The program develops a broad interest in science which also requires that a pupil use his other skills in arithmetic, language arts and social studies.

For the past two years, the school district has received a federal grant to help implement a career education program in the high school. As a result, a great deal of printed materials on career occupations were purchased through the funds and a program built into the curriculum whereby people with different occupations from Pittsburg and the surrounding communities will be asked to come to school to discuss their occupations and various fields of work with interested youngsters.

Educational field trips, a rare occurrence in the past, are now being realized as a worthwhile educational experience and the

caliber of the trips to Concord and Boston this past year are to be commended.

Pupil services being offered at the school include speech therapy, library services, music, health services and guidance services which all add to the total educational program at Pittsburg School.

Athletics, an important outside part of the school program, is helping develop character and a good sportsmanship attitude for life. Congratulations are also in order for the high school track team for winning the Class "S" state track meet last fall.

Although classified as an "Approved" high school, the Pittsburg School District can stand proud on the educational program it provides for its youngsters, both on the elementary and secondary level.

Respectfully submitted,

Stephen E. Dehl
Superintendent of Schools

GUIDANCE COUNSELOR'S REPORT

Guidance is a continuous developmental process which ideally should enable each student to understand himself better, to make sound decisions, to develop healthy attitudes and to achieve an awareness of his responsibility to himself and to others. Listed below are some of the activities directed toward these ends which have been initiated during the past year.

1. Each student's Cumulative Record Folder is being up-dated.
2. A Profile Sheet has been developed for each student in Grades 9-11 inclusive. This sheet contains information gathered concerning the student's ability, aptitudes, achievements, attitudes, interests and personality. The development of these sheets is an ongoing process with new information being added as it is obtained.
3. A Career Development Program utilizing one period a week has been instituted in the Pittsburg seventh and eighth grades, and the Stewartstown eighth grades.
4. A follow-up by phone or personal contact has been made in the case of each of last year's Seniors in order to ascertain exactly what they are doing as related to what they had intended to do.
5. A system of referrals for handling special cases in cooperation with the Upper Connecticut Valley Mental Health Services Inc. has been set up. Each re-

ferral necessitates at least one home visitation on the part of the Guidance Counselor.

6. In a number of cases, evening interviews have been held with students (past or present) and/or their parents concerning Educational or Career plans.
7. A Guidance Inventory Survey intended to predict needed changes which could possibly prevent certain students from becoming problems or drop-outs has been administered to every Pittsburg student in grades 9-11 and to Freshmen in Colebrook.
8. A Strong Vocational Interest Survey has been administered to individual Seniors who were completely unsure of future plans. The results of these Surveys have been discussed with each student concerned.
9. Arrangements have been made for students to meet with representatives of colleges and also representatives of the Armed Services.
10. The Armed Services Vocational Aptitude Battery has been administered to nearly all students 9-12 and the results are being discussed with each student concerned.
11. Juniors planning to continue their schooling after finishing high school took the Preliminary Scholastic Aptitude Tests in October and the results have been discussed with each student concerned.

12. Over 200 individual interviews have been held with Seniors concerning their future educational or career plans.
13. Similar conferences with Freshmen, Sophomores and Juniors have been, or are being, held.
14. Educational and Career Information has been made increasingly available to students.

I hope that the activities described above will give you some idea of the work that is being done in Guidance.

Respectfully submitted,

JOHN M. SHIELDS
Guidance Counselor

SCHOOL HEALTH

The objectives of a school health program are to perform the necessary functions to maintain and promote good health for all the pupils in our schools.

Each year the following services are performed: checking heights and weights, testing vision and hearing, physical examinations for students in grades 4, 8, 11 and those participating in athletic sports, T.B. skin tests as recommended by the T.B. Association which included all personnel in Supervisory Union 7 this year, immunizations as needed, pre-school clinics which include immunizations, physicals, T.B. and urine tests, home-visits for follow-through health care as deemed necessary, promotion of good mental health with the assistance of Upper Connecticut Valley Mental Health Services, first aid and emergency care, health teaching and counseling, and continuous supervision of general health.

The Matching Fund Dental Program sponsored by state and local monies was utilized again this year with many students receiving dental care.

This year the P.T.O. sponsored a program on venereal disease to junior and senior high school students through the Department of Public Health.

North Country Education Services again provided speech therapy for all students in Supervisory Union 7 requiring help.

The American Cancer Society provided films for all junior and senior girls and their mothers for early detection and treatment of cancer.

Grand Total Receipts

\$217,220.15

Two hygienists from the Dental Bureau in Concord presented a very thorough and interesting program on the care of teeth to all elementary students in the area including St. Albert's School and Our Lady of Grace Elementary School.

There was a pre-school hearing and vision clinic in May sponsored by the N. H. Division of Public Health for early detection of defects.

Each year we strive to improve the health program. With everyone working together, it is hoped that we can achieve our goal in this endeavor.

Respectfully submitted,

SARAH CUMMINGS, R.N.
School Nurse

AUDITOR'S CERTIFICATE

This is to certify that I have examined the books, and other financial records of the School District of Pittsburg of which this is a true summary for the fiscal year ending June 30, 1972, and find them correctly cast and properly vouched.

Norma E. Covill
Auditor

PROCEEDINGS OF SCHOOL MEETING - MARCH 7, 1972

ARTICLE 1

At the end of the reading of the Town Warrant, the School Warrant was read to the voters and polls were declared open for balloting by the Moderator: To bring in your ballots for the election of School District Officers to be elected by ballot for the ensuing year(s).

ARTICLE 2

A motion was made by Robert Gray and supported by Clifton Clogston, Jr., to give the School Officers or agents of the district the same rate of wages as Town Officers.

ARTICLE 3

A motion was made by Robert Gray and supported by Ernest Harris to accept the reports as given by Mallet Anderson, who explained the budget and the results of the AREA meeting (it was decided at the AREA meeting to continue term contracts as they are at present - no need for long term contracts).

The School Board at the last meeting was authorized to see if it was feasible to build school rooms over the gym. They consulted Mr. Simons of Hershey's Inc. who told them even though it was possible to do so, it was not practical to do so, as although the steel beams would hold, the wall might not. Asked by voters if Hershey's was the only firm consulted on new addition and at an affirmative answer it was suggested they get the opinion of others.

Was voted to accept the reports as given.

ARTICLE 4

Under this article, Miss Irene Goulet showed work of children in preschool program. She explained the same was federally funded this year. Next year the town would have to pay about 50% of cost. The amount asked for in this article was set at \$700. At close of discussion a motion was made by Robert Gray and supported by Clifton Clogston, Jr., to pass over Article 4. It was voted upon and was a vote to pass over Article 4.

ARTICLE 5

A motion was made by Gordon Covill and supported by Robert Gray to raise the sum of \$1,400.00 to supplement the salary of the school lunch program helper. Was voted upon and was declared a vote by the Moderator.

ARTICLE 6

A motion was made by Clifton Clogston, Jr., and supported by Robert Gray to raise the sum of \$120.00 to transport School Students Grades 1 through 6, within the town limits on extremely cold and windy school days. It was voted on and was a vote.

ARTICLE 7

A motion was made by Edwin Robie and supported by Gordon Covill to raise \$3,500.00 to hot top the school driveway and put up a curb so cars cannot park on school lawn. It was voted upon and declared a vote.

ARTICLE 8

A motion was made by Robert Gray and supported by Clifton Clogston, Jr., to accept the budget. It was voted upon and declared no vote.

A motion was made by Thomas Tanner and was supported by Virginia Beauchemin to raise \$5,000.00 to supplement the proposed budget with the recommendation that another teacher be hired. Was voted upon and was a vote.

A motion was made by Thomas Tanner and supported by Gordon Covill to accept the budget as amended. Was voted upon and was a vote.

ARTICLE 9

A motion was made by Gordon Covill and supported by Emma Crawford to authorize the School Board to make application for and to accept, on behalf of the District any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States for the ensuing school year. Was voted upon and declared a vote.

ARTICLE 10

A motion was made by Gordon Covill and supported by Tabor Gray to adjourn. Voted to adjourn.

At 6 o'clock p.m. the polls were declared closed by the Moderator and the votes were counted with the following results:

<u>School Board</u>		
(Three-year term -	Martin Hewson	67
vote for one)	Mallet Anderson	195
	Gordon Covill	1

<u>School Clerk</u>		
(One-year term -	Christie Johnson	235
vote for one)	Wilma Robie	1
	Gordon Covill	1
	Mallet Anderson	1
